

## MALTA

The Maltese people welcome the company of foreigners and being helpful to them comes naturally. They enjoy life and their broad smiles tell you they are a happy, friendly people. The official languages are Maltese and English and almost all the Maltese speak English making communication with visitors easy.

Apart from the rich history and culture, Malta offers other enjoyable experiences. With endless sunshine and crystal clear waters Malta is a unique location where the visitor can indulge in his or her favourite pastime: sailing, windsurfing, water skiing, tennis, golf, watersports, country walks, local and foreign cuisine, nightlife ....

### Intensive English, 20

Lessons per Week

The language courses aim to help you become more confident and correct in your use of modern English. They are designed to develop and consolidate the student's competence in the use of the English Language. The courses emphasise the four core components of successful language use - speaking, listening, writing and reading. Skills in these four areas are developed through the use of materials that focus on the everyday use of the English language.
